Dear Sir:

The above-identified application became abandoned pursuant to 35 U.S.C. 122(b)(2)(B)(iii) for failure to timely notify the Office of the filing of an application in a foreign country or under a multinational international treaty that requires publication of applications eighteen months after filing.

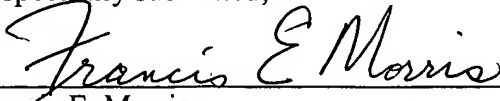

A Petition to Revive this Application was submitted on March 8, 2006. In a Decision mailed on July 5, 2006 submission of the petition fee, notice of foreign filing and proper statement of unintentional delay was acknowledged but the Petition was dismissed for failure to file a Notice of Rescission of the Non-Publication Request.

Applicant hereby renews its petition for revival of this application under 37 CFR 1.137(f) and submits herewith a Notice of Rescission of Non-Publication Request for the present application.

As noted above, receipt of the petition fee, notice of foreign filing and proper statement of unintentional delay has been acknowledged in the Decision mailed on July 5, 2006

Respectfully submitted,

Date: August 17, 2006
